Indigenous Employment Program

Start an Apprenticeship or Traineeship today!

What's involved

Are you interested in undertaking an employment program that can lead to your future career?

Start your career under the Shake a Leg -Program, a Commonwealth funded program that specialises in assisting indigenous people into traineeships and apprenticeships.

What is the program all about?

The Shake a Leg Program starts with a 4 week pre-employment program. You will learn valuable employment skills giving you some basic workplace skills and experience making sure you understand work ethic and presentation. Giving you communication skills and linking you with possibile employers.

The benefits of the program?

- · 4 weeks of valuable work ready skills
- One on one coaching and mentoring
- Corporate wear to the value of \$200
- Referral to host employer vacancies upon completion of the program into apprenticeship & traineeship opportunities

Making dreams a reality

This could be you in your dream job!

Our current trainees — Skilling indigenous people for careers

Sian Morley

Course: Business Administration

How did you find out about Shakealeg?

I was encouraged by Dean Rioli from DRAES to apply for a traineeship. He suggested WPC Group and after completing the pre employment program they assisted me with securing a role within the Department of Justice.

Adrian Smith

Course: Horticulture Parks & Gardens

What would you say to another indigenous person thinking about working with WPC Group?

All I can say it that you just have to do it. I feel so supported by my Host Employer and mostly from my WPC Group Mentor. Any issues I have, I know my mentor would be there.

Gayleen Majid

Course: Mechanical Heavy Vehicle

What do you like about working with your host employer?

I like absolutely everything about my work, Host Employer and WPC Group. I learn something new everyday which keeps me busy. There are plenty of experienced staff which I can approach to ask questions and develop my skills. My Host is very supportive in my training.
